A large, curved blue banner separates the top text from a photograph of many hands stacked in a circle, symbolizing teamwork. The hands are of various skin tones and are wearing different colored sleeves and watches.

**Assistive Technology
Trainers**

Overview:

Role: Assistive Technology Trainers on 0hrs contract

Reporting to: Senior Trainer

Location: Remote working with travel in local area

PAM Group has a workforce consisting of over 550 staff based regionally throughout the UK who provide a comprehensive range of high-quality services, delivered through a bespoke combination of on-site staff, remote services (including telephone & secure video conferencing) and clinic-based services via a UK wide network of PAM clinics.

ToHealth Ltd, part of PAM Group, is a growing business providing neurodiversity health assessments, employee medicals, consumer medical assessments and consumer blood tests. Its markets are both B2B and B2C. It has been boosted by a recent acquisition and has significant growth plans in the coming years.

Role

ToHealth is a division of PAM Group – an occupational health and wellbeing provider.

ToHealth was created to fulfil the needs of our clients by focusing on providing wellbeing and neurodiversity solutions to support our clients.

- ❖ Train customers on how to use specific software or hardware according to individual specific requirements as started in the need's assessment reports.
- ❖ Ability to learn new assistive software and hardware as required
- ❖ Delivery and set up of equipment
- ❖ Deliver training according to ToHealth's quality guidelines and code of conduct to ensure training is delivered effectively.
- ❖ Manage post training reports and other paperwork effectively, accurately and promptly.
- ❖ Maintain a high standard of presentations whilst representing ToHealth.

The work we do is currently being delivered remotely with some face to face work if required.

This role is conditional on passing a DBS check.

Please indicate your preferred form of delivery and geographical areas you can cover.

About You

- ❖ Experience in teaching or training on AT and hardware eg: Inspiration, Mind View, Dragon Naturally Speaking, Texthelp Read & Write, typing tutors, various dictionaries, Dolphin, Zoomtext, JAWS, ClaroRead. Digital voice recorders, scanning pens, personal organisers and also MS Office suite
- ❖ Experience in teaching or training computer software and hardware in the educational setting and in the workplace on a 1:1 basis or to small groups.
- ❖ Experience of working with disabled people or people with visual impairment and / or specific learning differences.

Our Values

At PAM we are passionate about people and delivering our Everyday Things That Matter Values and Behaviours to our customers and our colleagues. Our cultural philosophy is based on putting our people first, creating high performing teams who deliver great services for our clients.

We're looking for driven and ambitious professionals to join our team, who are just as passionate about our philosophy and values as we are:

If you're looking for your next career move and are wanting to work with a rewarding company, please get in touch with our Recruitment department for a confidential chat about joining the PAM Team. Recruitment@pamgroup.co.uk

- ❖ Hard Work & Enthusiasm; we believe hard work should be rewarded, we go the extra mile to achieve our goals and support each other and enthusiasm and passion are part of our DNA.
- ❖ Teamwork & Friendship; our colleagues share a sense of belonging; we understand collaborative working means better decisions making and we support each other to achieve common goals.
- ❖ Loyalty & Improvement; we are dedicated to personal and professional development. Our PAM Academy mentors' colleagues and provides support to help you be the best you can through offering a wide range of CPD opportunities.
